Transmitted herewith for approval by the Examiner is one Replacement Sheet of drawing with proposed changes. No new matter has been added.

REMARKS/ARGUMENTS

The Office Action dated July 26, 2004, has been carefully reviewed in light of the Examiner's helpful comments and suggestions.

As a result of the Office Action, claims 1-3 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite, and are indicated to be allowable if amended to overcome those Section 112, second paragraph, rejections. Claim 1 is objected to on formal grounds. By the above amendments, Applicant believes the Section 112, second paragraph, rejections, and the formal objections have been addressed.

Moreover, the specification has been amended to correct a minor typographical error as suggested by the Examiner. Also, submitted herewith for approval by the Examiner is one Replacement Sheet of drawing amending Figure 1 to include the reference numeral 113. No new matter has been added.

Each issue raised in the Office Action dated July 26, 2004, has been addressed and it is believed that claims 1-3 are in condition for allowance. Wherefore, reconsideration and allowance of these claims is earnestly solicited. Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
DENNISON, SCHULTZ,
DOUGHERTY & MACDONALD
